

K-love serves the community by offering open prayer lines, support for hurting people and encouragement to all people regardless of race, color or religion. Also, there are full time ministers available 24/7. K-love is just always there. If it wasn't for

K-love there would not be any christian broadcasting in my area. I'd just have to listen to my CDs or cassettes instead. The public interest is due to the overall positive content and informative news that they broadcast, it is encouraging and uplifting to not always hear bad news. K-love is the only radio station that i listen to. I travel with my job and K-love is there no matter where they send me..Amarillo Tx, Pittsburgh Pa, Howell Mi, or South Central In. my hometown area. Its like having my family and friends there with me and i feel right at home. K-love connects me with other people of faith all over the USA. It's a choice i make for myself. So does my family and friends. It has grown so much since i started listening years ago. I enjoy my K-love. Please don't take it away.
